## PRESIDENT'S MESSAGE

Welcome to the 2021 Surrey Elementary School Athletic Association Annual General Meeting and thank you for joining us on this conference call. I would like to take this opportunity to acknowledge the shared traditional territory of the Katzie, Semiahmoo and other Coast Salish Peoples on which our schools are located and where our sports are played.

As another S.E.S.A.A. calendar season comes to an end, even though it never really began, it is difficult to put into words what a strange and unsettling year this has been. With the absence of our athletic activities and programming, I have both seen and felt a major void in our schools. It just goes to show the tremendous value that sports play in creating a positive environment that nurtures teamwork, fair play, and builds a sense of community within our schools and amongst our students. The coronavirus pandemic has seemingly changed the way we live, work, and play, at least for now. However, I remain hopeful that we will be able to resume our athletics programming, in some form, next season.

I would like to thank all of our coaches for your ongoing support. I know not being able to connect with your student athletes as you have in the past, has been incredibly challenging. However, I am aware of the creative and alternative ways that you have found to share your passion for athletics with your students. Whether it be cohort-based drill practices, outside small group practices, or even setting up and video recording challenges to share with other schools, I see you. Please know that your dedication is so very much appreciated.

To our S.E.S.A.A. convenors, zone reps and executive; thank you for continuing to show up and for always offering your support. Over the past years, I know just how much you have continually given of yourselves in terms of time and effort in order to make sports an opportunity and a priority for Surrey student athletes. I am so grateful to have worked alongside you as part of the S.E.S.A.A. team.

After such an unprecedented year, it is with mixed feelings that I step down as President of S.E.S.A.A. However, I look forward to continuing on in my position as Ultimate co-convenor and supporting the executive as Member at Large. S.E.S.A.A. is in good hands with the leadership of Scott McIndoe. Over the years, he has gained so much experience volunteering in almost all of the various SESAA roles, he has great ideas, and cares deeply about sport and making decisions that better the experience for student athletes and coaches.

Enjoy your summer, and hopefully our seasons return in some capacity and we'll see many of you on the courts and in the fields in 2021-2022.

Sincerely,  
Kim Buchanan  
SESAA, President  
Grade 5/6 Teacher  
Cougar Creek Elementary

## 5. Covid- 19 Discussion (10 minutes) – Kim Buchanan

### Thoughts to get you thinking...

- Athletics and sports will be on hold until district and health department approval?
- Reality is that things will be different.
- School based intramurals verses School versus School competition. A skill development year in schools?
- Will we be able to accommodate student needs (number participating athletes, PPE, social distance spacing, alternative school schedule)?
- Should we play in a new fashion, with adapted rules and expectations?
- What are you thinking about fall sports (soccer, cross country, volleyball)?

# SURREY ELEMENTARY SCHOOLS ATHLETIC ASSOCIATION

## 2020 – 2021 BUDGET/TREASURER'S REPORT

### District Funding and Support

The district continues to pay for some release time for those coordinating events. The district also pays for supplying championship material such as wristbands, rosettes, and ribbons for our playdays and events. We continue to be supported by our district and we are thankful for their financial involvement.

### SESAA Account

Our bank account continues to be in a healthy position (as shown below). This account is funded by the annual school levy of \$100.00 per school. We typically use this account to cover release time for event coordination, coaching recognition awards, AGM expenses, and on-going expenses such as starter caps and equipment for track meets and other sports that require additional equipment to operate. Our current balance is high due to COVID-19 and the significant impact it has had on SESAA activities and events since March 2020. As we head into the 2021/2022 school year, our executive is of the view that we should NOT request the annual school levy from the district. We may request a partial levy mid-year, if the COVID-19 situation lifts and activities resume normally.

Normally, we try and keep a healthy balance of at least \$5,000.00 from year to year. This balance will be used when emergencies arise which might include: needing more release days, purchasing equipment for sports, buying additional bracelets, etc.

### Changing Banks

At the 2020/2021 SESAA AGM, it was approved that we would change our bank from Van City to Toronto Dominion Bank with the following authorized to make the changes with the banks: Treasurer, Vice President, and or the President of SESAA. Due to COVID-19, we have held off on making this switch. We plan to make this switch when the COVID-19 situation lifts.

### Motion for School Levy 2021/2022

The school athletic levy will not be requested for 2021/2022 with plans to resume our normal request of \$100 per school in 2022/2023. A partial levy may be requested 2021/2022 should SESAA activities and events resume mid-year.

**Motion:** Haley Workun – Treasurer

**Rationale:** We have a significant surplus due to the cancellation of most SESAA activities and events this school year. Should activities resume this upcoming school year, SESAA may request a partial levy.

### SESAA ACCOUNT BALANCE STATEMENT

September 2020 Opening Balance \$12,877.92 and May 2021 Balance (as of 2021-05-16) \$21,611.04

Date	Cheque #	Payment to	Payment for	Amount	Balance
2020-09-30			Interest credited to account	\$0.29	\$12,878.21
2020-12-12		SESAA	Levy from District	\$10,300.00	\$23,178.21
2020-05-01	254	Creative Insignia	AGM Hats	-\$1,538.95	\$21,639.26
2020-05-04	255	Hugh McDonald	Website renewal fee	-\$28.22	\$21,611.04

**Other Notes**

- Prior to the end of the 2020/2021 school year, our account will also debited for following items:
  - One tent (track)
  - TOC coverage for executive release day (planning purposes)
  - Gift certificates (thank you gifts)
- We plan to purchase two starter pistols this fall (2021) for track and field

#### **3. BUDGET:**

N/A - season cancelled due to COVID-19

#### **4. RECOMMENDATIONS FOR NEXT YEAR: (*carried over from previous year – 2019/2020*)**

Bracelets orders were placed in advance by Sean Juteau in the past and this allowed them to arrive just in time to reach host schools. Since we are moving this responsibility back to the convenor, I will make sure there is enough bracelets to be distributed for next school year by the spring time.

- Deciding whether we are still doing 1<sup>st</sup> place rosettes so I can place an order this spring for next school year.
- Continue to use Google Forms to collect registration information.
- Continue to keep the number of teams at each tournament at 3 or 4 (unless side-by-side city fields can be booked).
- If possible encourage schools to have their teams finalized before the final playday schedule comes out. We still had some revisions after the final schedule was released (some changes were unavoidable) causing a lot of last-minute switches for host schools.
- One coach has talked to me about using red and yellow cards for game play at the playday tournaments. I recommended that this be brought up to the executive and possibly the AGM for discussion.
