

Basketball Schedule 2023-24

Surrey North Zone

ATTENTION COACHES:

While we normally play in Zones, we are not able to do so this year due to the lower number of schools participating. Instead, you will play with those who signed up and you will alternate between home and away games.

REGULAR SEASON:

BOYS GAMES	Wednesdays
GIRLS GAMES	Thursdays

We have a different number of boy's and girl's teams. Because of this, I have created separate boy's and girl's schedules. Please ensure you are reading the correct one ☺. In the boy's schedule, there is also a bypass for some schools. If you'd like to join a tournament of two schools instead of taking a by-, please contact the coach of a host school directly.

NEW TEACHERS / NEW COACHES

Prior to leaving for a game at another school, please make sure you have:

-  Contacted the host school to confirm you are coming
-  Received a signed copy of the parent driver information form from each driving parent
-  Provided your secretaries and principal with a list outlining specifically which parents are driving which students

If you cannot make a scheduled game, PLEASE contact the host school coach directly (a coaches contact list is on page 2 of this document) as early as possible to let them know. This way they are not waiting for you and the kids are not disappointed once in uniform.

PLAYDAYS (week of Feb. 26th)

Schools are organized into playdays by school size, *not* by division groupings. Thank you to everyone who has volunteered to host! The playday host schools and attending schools are listed below each of the boys'/girls' schedules.

*PLEASE NOTE: schools are asked to bring **only one team** to playday, due to numbers (hosting 4-5 teams, each with 10 - 12 kids, increases numbers by 40-60 students). Hosting schools can opt to add a second team of their own.*

If you have any questions, please contact me directly. Enjoy the season and thank you in advance for your time and effort!
