

BADMINTON 2022-23

Final Schedule

The badminton league will be starting the final week of March. The Grade 5/6 teams will begin play on **Tuesday, March 28th**, while the Grade 7 teams will begin play on **Thursday, March 30th**. The schedule is set out with the teams playing within their conference as much as possible. The goal was to create an even number of teams in each division as much as possible while keeping travel time within 10 minutes. When reading the schedule, the first letter denotes the home team. The weekly dates conform with the handbook, with week one being March 28/30, week two April 4/6, week three April 11/13, week four April 18/20, week five April 25/27, and Playday week May 2/4. Refer to the handbook (p. 50) for rule clarification.

Please confirm with your hosting team prior to your scheduled game date. If there are conflicts with gym availability, the coaches are asked to arrange an alternate site/ game day.

Playday

Playday information will follow in a separate schedule approximately three weeks before the scheduled playday week. We will require 2 hosts per division. Please complete the forms link ASAP, if you wish to host. If not enough schools volunteer, then it is random mandatory hosting. Don't worry, it is the easiest playday of all the sports (no referees, no drivers, pre-made schedule, low number of participants).
