

2023 North Zone Volleyball Schedule

ATTENTION COACHES:

As you are aware, all elementary schools are grouped in divisions named after their respective associate high school. This provides an opportunity for students in grade 7 to play with students from other schools who will be attending the same high school next year. More importantly (to staff and parents), it has cut down driving times significantly. This year I have had to combine zones to create more play opportunities.

REGULAR SEASON: (except for the week of Remembrance Day)

BOYS GAMES Wednesdays

GIRLS GAMES Thursdays

***We are playing with a 5-on-5 format.** Note that rules for rotation, number of serves, etc., all continue to pertain to the game. Most people set up with 3 students in front and 2 students in back, or 2 in front, 2 in the back with 1 in the middle.*

SESAA website & 2023-2024 Handbook for updated volleyball specific rules.

All Coaching Staff:

Prior to leaving for a game at another school, please make sure you have:

- Contacted the host school to confirm you are coming
- Received a signed copy of the parent driver information form from each driving parent
- Provided your secretaries and principal with a list outlining specifically which parents are driving which students

If you cannot make a scheduled game, PLEASE contact the host school as early as possible to let them know. This way they are not waiting for you and the kids are not disappointed once in uniform.

PLAYDAYS

Schools are organized into playdays by school size, not by division groupings. WE STILL NEED HOST SCHOOLS FOR PLAYDAYS – if you haven't hosted in the past, please consider doing so now, so as to share hosting responsibilities. Also, if you wish to avoid travel, hosting is a good way to do so!

PLEASE NOTE: per the SESAA handbook, schools are asked to bring **one team** to playday, with approximately 8-10 players maximum per team, to help keep numbers manageable.

If you have any questions, please contact me via email or phone (email is preferable). Enjoy the season and thank you in advance for your time and effort!
