Resolution #2

Whereas, soccer goalies are developing their skills and whereas a similar rule exists in community soccer and other SESAA sports

Moved {Steve Brigger (Green Timbers)/Mike Paulicelli (MB Sanford)} be it resolved that the current soccer rule dealing with goal kicks be amended to:

Opposing players must be on their side of the Retreat line. (Marked at the middle 3rd)

All opposing players cannot pursue the ball until:

- The ball is received by a teammate
- The ball travels over the line
- The ball leaves the field of play

Encroachment of retreat line:

If the defending team encroaches across the retreat line before an opposition player touches the ball, then the referee blows the play stopped and issues a re-take of the goal kick. If the opposing team repeatedly infringes the retreat line, an indirect free kick shall be awarded from the place where the offence occurred for not respecting the restart.

Resolution #3:

Moved {Ryan Bolton (William Watson)/Tejpaul Mann (William Watson)} be it resolved that the current volleyball rule be amended to:

Only four players may play on the court at any one time.

Resolution #4

Moved {Erik Henderson (Pacific Heights)/Sally Song (Pacific Heights)} be it resolved that the current volleyball rule be amended to:

Only five players may play on the court at any one time.

SURREY ELEMENTARY SCHOOLS ATHLETIC ASSOCIATION PRESIDENT'S MESSAGE

Welcome everyone to the 2019 Surrey Elementary School Athletic Association Annual General Meeting and thank you for being here. We would like to take this opportunity to acknowledge the shared traditional territory of the Katzie, Semiahmoo and other Coast Salish Peoples on which our schools are located and where our sports are played.

It has been a pleasure working another year as President of S.E.S.A.A. with all of our dedicated executive and coaches. As another school year ends, I would like to thank all of our coaches for your ongoing support and time to provide our Surrey students with the opportunity to play sports. The life long memories that are made and the skills that are learned by our students as a result of your passion and generosity makes a difference in our student's lives.

To our S.E.S.A.A. convenors, zone coordinators and executive; thank you for overseeing and providing leadership throughout our elementary athletics. Your hard work, flexibility, and dedication is appreciated.

A final thank you and welcome to our school board representatives and trustees who are with us here today. We appreciate what you do to support our district and elementary athletics.

Thank you again to all of you for continuing to make sports an opportunity and priority for Surrey student athletes.

Sincerely,

Rachel Baldry
S.E.S.A.A. President

SURREY ELEMENTARY SCHOOLS ATHLETIC ASSOCIATION 2018-2019 TREASURER'S REPORT

BUDGET REPORT 2018-2019 Annual Report

District Funding and Support

The district continues to pay for some release time for those coordinating events. The district also pays for supplying championship material such as wristbands, rosettes, and ribbons for our playdays and events. We continue to be supported by our district and we are thankful for their financial involvement.

SESAA Account

Our bank account continues to be in a healthy position (as shown below). This account is funded by the annual school levy of \$100.00. We use this account to cover release time for event coordination, coaching recognition awards, AGM expenses, and on-going expenses such as starter caps and equipment for track meets and other sports that require additional equipment to operate. The balance currently seems high but we haven't paid for the AGM.

We try and keep a healthy balance of about \$5,000.00 from year to year. This balance will be used when emergencies arise which might include: needing more release days, purchasing equipment for sports, buying additional bracelets, etc.

Motion for School Levy 2019-2020

The school athletic levy continues at \$10,100.00 for the 2019-2020 school year.

Motion: Haley Workun – Treasurer

Rationale: We continue to need this money to fund the items the district does not cover as listed above. We will always continue to need this additional money to allow us to operate completely.

SESAA ACCOUNT BALANCE STATEMENT

September 2018 Opening Balance \$2,791.53 and May Balance (as of May 15, 2019) \$12,863.43 with AGM bills to pay

18-19 SESAA CONVENOR'S REPORT BASKETBALL

Convenor(s)	School(s)	Phone	Fax
Erik Henderson	Pacific Heights	604-531-2828	604-531-2839
Leanne Jamieson	Crescent Park	604-535-9101	604-595-1391
Scott McIndoe	Crescent Park	604-535-9101	604-595-1391

ORGANIZATIONAL MEETINGS:

The Basketball Referee Clinic was held on January 17, 2018 at Pacific Heights Elementary. Turnout at the Referee clinic was good, with about 20 coaches attending. Scott McIndoe ran the ABC's of Basketball this year and had close to 25 coaches attending. Basketball registration and participation this year was still strong and consistent with last year's results.

ZONE PLAY REPORT/FINAL RESULTS:

Zone Play seemed to run smoothly this season. Celebration Day ribbons were substituted for wristbands this year. Participation ribbons/wristbands were not rewarded this season. There were a couple of inappropriate behaviors with parent coaches at two basketball Celebration Days this season. Sponsor Teachers need to make sure their parent coaches are following the Elementary Coaches Code of Conduct; especially being respectful to referees and other coaches.

BUDGET:

Wristbands and Rosettes – Reference to PE Secretary who placed order

RECOMMENDATIONS FOR NEXT YEAR:

- Continue simplifying Basketball rules and infractions in SESAA Handbook
- Continue having Zone Coordinators send out reminders to past and present coaches
- to be aware of registration deadlines and what zone they are in
- Continue working with secondary schools to host Play Days or extra tournaments.
- Clarify to secondary schools about SESAA basketball rules and regulations
- remind coaches to include all students who want to play basketball if possible; especially grade 7 students.
- Have PE Helping Teacher run ABC's of basketball next year
- Remind sponsor teachers to go over the rules and appropriate behavior when coaching elementary players at practice, home and away games, and during Play Days.

DATES FOR NEXT YEAR:

Basketball Registration: Dec. 6th to Dec. 20st (2019)
Basketball Referee Clinic: January 16, 2020 @ Pacific Heights from 3:30 to 5 pm
Basketball Season: First Games start in the week of January 20, 2020
Celebration Play Days in the week of February 24, 2020

WILLING TO SERVE AS CONVENORS AGAIN?

Erik Henderson, Leanne Jamieson, and Scott McIndoe will stay on as Basketball Convenors for the 2019-2020 sports season.

18-19 SESAA CONVENOR'S REPORT VOLLEYBALL

Convenor(s)	School(s)	Phone	Fax
Jennifer Tarnowski	Cougar Creek	604-591-9098	604-590-9127

ORGANIZATIONAL MEETINGS:

- No meeting
- Registration sent out to PE contacts and collected via survey form
- Most coaches familiar with process – some schools still working on coordination of coaches so that teams are not registered multiple times
- A reminder to schools to double check their school zone as posted on the SESAA website

ZONE PLAY REPORT/FINAL RESULTS:

Return to 6 on 6 was received with mixed reviews. Some schools were happy to be back to 6 players on the court while others noticed a significant decrease of movement on the court. Some coaches have recommended that 5 on 5 may be the better balance of players on the court. This should be discussed at some point in the future, following another year of 6 on 6.

Participation was similar to last year, with most schools participating in girls, boys, or co-ed. Distribution of celebration play day bracelets was facilitated through DEC. Thank you to those schools who stepped up early to host the celebration playdays. Identifying host schools early in the season helps the zone coordinators in their planning and scheduling.

BUDGET:

Bracelet distribution through DEC continues to work well – again, need to identify hosts early so that items arrive in time for the playday.

RECOMMENDATIONS FOR NEXT YEAR:

- Continue with online registration
- Continue with ABCs of Volleyball clinic facilitated by PE Helping Teacher
- Continue to monitor skill development with 6 on 6
- Identify playday hosts by the end of the second week of the season

DATES FOR NEXT YEAR:

A reminder that the scheduling of the playdays has flexibility based on the host school and the need to work around early dismissals, school concerts in December, and reporting. The dates in the SESAA handbook are merely suggestions and the host school may schedule based on what works for their school and those attending.

WILLING TO SERVE AS CONVENORS AGAIN?

Yes.

18-19 SESAA CONVENOR'S REPORT BADMINTON

Convenor(s)	School(s)	Phone	Fax
Chris Humeston	Bonaccord	604-584-3533	604-585-9577

ORGANIZATIONAL MEETINGS:

The league registration was primarily completed through a google doc, as well as emailing information. Beginning February 4th and continuing through February 15th, coaches and contacts registered their teams for either Grade 7 league play, or Grade 5/6 league play. Interested coaches were offered a workshop on February 20th to assist in the preparation of their season. The workshop was attended by 26 coaches and consisted of 90 minutes of drills and technical discussions.

ZONE PLAY REPORT/FINAL RESULTS:

The badminton teams were scheduled to begin league play March 5th for grade 5/6, and March 7th for grade 7. There were 71 schools registered in the grade 7 league, and 52 schools registered in the grade 5/6 league. This number represents a nineteen percent increase in the number of teams participating from the previous year. Assuming an average of 20 students per team, the participation in badminton this year was estimated to be approximately 2460 students, with all zones represented.

There were 128 teams registered for the end of season play days. The teams were arranged into forty sites of either three-school tournaments (80 percent) or four-school tournaments (20 percent) for these games. Some teams had to withdraw prior to the play day.

BUDGET:

This year the budget for wristbands and rosettes was \$. The budget recommendation for 2019-2020 is to maintain the budget at \$700.00 for wristbands/ribbons and rosettes, and a release day for the convenor.

RECOMMENDATIONS FOR NEXT YEAR:

Consider reverting back to providing ribbons for the participants of the play day tournaments instead of the wristbands. Consider providing rosettes for all participating teams, and not just a first-place rosette.

WILLING TO SERVE AS CONVENORS AGAIN?

Yes.

18-19 SESAA CONVENOR'S REPORT TRACK & FIELD

Convenor(s)	School(s)	Phone	Fax
Ross Davidson	Crescent Park	604-535-9101	604-595-1391

ORGANIZATIONAL MEETINGS:

At the time of writing this we are well in the midst of organizing this year's track meets. We are appreciative of the continued strong interest in the Barry Morley Memorial track meets. We had a larger turnout for the workshops this year. We believe the track meets represent the best that S.D. 36 elementary schools can accomplish when everyone works together.

RECOMMENDATIONS FOR NEXT YEAR:

We do ask schools to consider avoiding booking grade seven year end events on possible rain out days for track and field. This can save the sevens missing out on their final track and field meet.

DATES FOR NEXT YEAR:

Dates for next year:

May 26, 27,28

June 1,2,3

Rain out days: May 29, June 4,5

WILLING TO SERVE AS CONVENORS AGAIN?

I believe all coordinators wish to return except for Chris Gauvin who has left the district to teach in Qualicum.

18-19 SESAA CONVENOR'S REPORT SPECIAL TRACK MEET

Convenor	School	Phone	Fax
Marg Geddes	Creekside	604-543-9132	

1. ORGANIZATIONAL MEETINGS: The committee meets once in early Spring to discuss the upcoming meets, any changes and review responsibilities.

2. ZONE PLAY REPORT/FINAL RESULTS:

This year, we had 413 athletes from 67 different schools over two days, with only six schools left on the wait list. We reconfigured the field events to have athletes rotating in their school groups. We added another field event – soccer, so that even more athletes could participate in the meets. Due to these changes, the feedback we received was that the meets ran even more efficiently. The district funded a souvenir baseball hat for each athlete featuring our speedy bunny logo and Challenger Baseball gave away water bottles. Athletes went home with hats, pins, water bottles, ribbons, medallions and coupons from McDonald's. Many teams stopped for ice-cream and hamburgers on the way back to their schools. We had approximately 40 volunteers each day from the City of Surrey, TD bank, KSW Law Firm and of course, Surrey Schools. Retired Principal, Connie McLean once again, coordinated all the volunteers and they are key to the success of the meets! We heard many heart-warming stories such as: several athletes said this day was better than Christmas, one athlete said he had shivers when they put the medal over his head and it truly was the best day of his life, one little girl spoke for the first time all year.

3. BUDGET:

Debit:

Ribbons and Medals	\$3,868.48
Three Lane Obstacle Course	\$1,443.75
Pit Stop Portable Toilets	\$683.90
Office Supplies & Equipment (Approx.)	\$400.00
Tattoos for Athletes	\$295.05
Concession	\$1,089.40

Total: \$7780.58

Credit:	
District	\$1,500
TD Bank Sponsorship	\$2,350
Surrey Firefighters	\$500
Concession	\$1,155.25
School Payments (\$5/athlete)	\$2,360

Total: \$7865.25

4. RECOMMENDATIONS FOR NEXT YEAR:

- I. My biggest recommendation is that the meets be coordinated by someone at the district level. The meets have grown so large and managing the money so complicated that it is very challenging to run through a school.
- II. Order medallions even earlier next year. They were ordered in March but they still almost did not arrive in time for Tuesday meet, let's just say the rainout helped... They are already counted and the order is ready to go for 2020.
- III. One less portable toilet or none at all because they were hardly used.

5. DATES FOR NEXT YEAR: May 12 & 13 with rainouts on May 14 & 15, 2020.

6. WILLING TO SERVE AS CONVENER AGAIN?

After eleven years of starting and running the Special Track Meets, I will be stepping down as convener. I strongly believe that this is now a district event and should be coordinated by someone at the district level. However, I am willing to remain on the committee and continue to help.

Paul Thompson	Bonaccord	604-584-3533	604-585-4673

ORGANIZATIONAL MEETINGS:

No organization meeting was held. Registration was on-line, February 4 – February 15 via a Google form linked from the SESAA website and Facebook page as well as in an email sent out to all former ultimate coaches. Late registrants were added by the convenors. A coaching contact list was distributed, via e-mail, to all registered schools. A total of 44 schools registered this season. A coaching clinic was held at Katzie Elementary on April 9th from 3:30pm - 5:00pm.

ZONE PLAY REPORT/FINAL RESULTS:

Exhibition games were organized by coaches. They were held over a six-week period in March and April. The celebration jamboree was held on Wednesday, May 1st at South Surrey Athletic Park. There was a total of 36 schools and approximately 700 student athletes in attendance. The tournament hosted two divisions: competitive and recreational. 12 teams took part in the competitive division with an initial round robin phase that ranked teams and an elimination phase determined the champion, Katzie who was awarded a first-place rosette and bracelets. 2nd to 3rd place bracelets were awarded to Berkshire Park and Crescent Park. All other eliminated teams received SESAA Athlete participation bracelets. 24 teams took part in the recreational division and followed a round robin format. No scores were kept and the teams were not ranked. Participation bracelets were awarded to all players. A spirit trophy will be presented to the two most deserving teams, Cougar Creek and Bridgeview, based on a vote by the coaches from the recreational division. Bonaccord hosted the concession.

BUDGET:

Bracelets – approximately 650 participation, 21 - 1st, 2nd and 3rd

Rosette – one first place

Release time for Convenors: 1 day (needs to be increased to 2 days to accommodate both convenors)

Booking Fees: washroom cleaning fee (\$52.50)

RECOMMENDATIONS FOR NEXT YEAR:

- Keep the jamboree format the same for next year, offering a choice of either participation in the competitive division or in the recreational division
- Create an intentional pool within the recreational division to accommodate teams with a more competitive spirit of play

- Prepare to accommodate more teams in the recreational division by booking all fields at SSAP on the North side of 20th Ave. from 8:30am – 5:00pm
- 1 team per school at the jamboree with 3-4 gender split at all times
- Continue to impose a deadline for Jamboree team confirmation
- Invite Elevate Academy to attend Jamboree and run clinics
- Have PHCE Helping Teacher to book and confirm the 4 grass fields and both turf fields at SSAP from 8:30am - 5:00pm.
- Continue with on-line registration and confirmations via Google forms.
- Encourage coaches to stay informed with the rules of play and to promote “spirit of the game” among student athletes, even in the competitive division
- In consultation with Shannon Seid, review and update, if needed, rules of play in the SESAA Handbook. Create a quick list to clarify common misinterpretations of rules, fouls, and overall game play. Share with coaches.
- Continue to include a garbage bag with each team’s registration package, emphasize the importance of keeping the fields clean at the Jamboree
- Provide additional and explicit reminders to coaches that they are responsible for bringing their own first aid kits to the Jamboree

DATES FOR NEXT YEAR:

Online Registration: February 3 - February 14

League Play: March 2 – April 24

Celebration Jamboree: April 29th or 30th (depending on field availability and SESAA Calendar)

WILLING TO SERVE AS CONVENORS AGAIN?

Yes and no, I don't mind but if someone else believes in the coed model I am happy to step aside as I am extremely busy.

18-19 SESAA CONVENOR'S REPORT SOCCER

Convenor(s)	School(s)	Phone	Fax
Taylor Weakes	Lena Shaw	604-581-1363	604-951-0724
Christian Oskam	Simon Cunningham	604-588-4435	604-582-6528

ORGANIZATIONAL MEETINGS:

There was an organizational/planning meeting held on Thursday, Sept. 13, 2019 at Simon Cunningham Elementary. As is usually the case, most information was sent out via email, but about 10-15 coaches attended the meeting to set up games and clarify uncertainties (about rules, scheduling, etc.).

ZONE PLAY REPORT/FINAL RESULTS:

Coaches registered their teams through a google form Sean Juteau sent out via email to PE contacts and last year's coaches. Christian and I compiled the list of teams and coaches for each school and organized them into zones (to help coaches set up games with their surrounding schools).

The majority of schools had no problem establishing their own games and most had 2-3 before their play-days. Some asked about a schedule, but based on how long it took teams to register and how short the soccer season is, I don't think that this will work. Coaches found the email list useful.

There were 34 Boys "A" (a small increase from 31 last year), 14 Girls "A" (a significant drop from 22 last year), 3 Boys "B" (the same as last year), and 16 Co-Ed (a small increase from 15 last year) teams that participated in 19 different play-days. In total, over 1 000 students played soccer this fall.

Schools were divided into small tournaments of 3 or 4 teams based on location (and in some cases school size). All teams played each other once and most tournaments had time for a game between the top two teams. Bracelets and rosettes were awarded to the first and second placed teams. Coaches or parents volunteered to referee games.

Schools with good grass/turf fields were asked or volunteered to serve as hosts. In 8 cases, Surrey Parks turf fields were used only until 3:30 (Newton Athletic, South Surrey Athletic and Cloverdale Athletic), which helped to cut costs. Sean Juteau assisted in booking Surrey Parks fields and in ensuring that all school fields were safe and lined prior to play-days.

Weather did not turn out to be an issue this year, as it has in the past. All play-days were able to go ahead as planned.

BUDGET:

Bracelets and rosettes – refer to PE Secretary who placed order.

RECOMMENDATIONS FOR NEXT YEAR:

- Bracelets and rosettes orders were placed in advance by Sean Juteau and this allowed them to arrive just in time to reach host schools. Even earlier next year would be better (although I think this would make coming up with accurate projections difficult).
- Continue to use Google Forms to collect registration information
- Continue to keep the number of teams at each tournament at 3 or 4 (unless side-by-side city fields can be booked)
- If possible encourage schools to have their teams finalized before the final playday schedule comes out. We had a lot of revisions after the final schedule was released causing a lot of last-minute switches for host schools.

DATES FOR NEXT YEAR:

The organizational meeting should be hosted around the same time next year (close to Sept 13). Play-Days were well placed on the week of Oct. 8-12.

WILLING TO SERVE AS CONVENORS AGAIN?

Yes, I will serve as soccer convener next year. I cannot speak for Christian, but I am happy to take on the role by myself.

18-19 SESAA CONVENOR'S REPORT CROSS COUNTRY (Central/West Zone)

Convenor(s)	School(s)	Phone	Fax
Greg Monroe	Beaver Creek	604-572-6911	604-572-1379

ORGANIZATIONAL MEETINGS:

Not required.

ZONE PLAY REPORT/FINAL RESULTS:

The 2018 season went very well. We didn't keep track of the athletes' places related to each school and I actually received positive feedback from the coaches about not keeping track. We were able to run all five meets. We seemed to have roughly the same number of schools (16-18) who participated in the previous year. We had a total of 2036 runners cross the finish line this year which was up from last year's 1273 runner count. This isn't surprising considering we had all five meets (two more than last year) this year. The overall breakdown of participants was 53% boys and 47% girls. Participation across grades indicated high levels of participation in Grade 3 -5 and a reduction in numbers in grade 6/7 which isn't usually surprising considering the soccer season running at the same time and the opportunity for 6/7 students to play other school sports throughout the year.

Grade	Boys	Girls
3	288	259
4	252	215
5	267	201
6	170	132
7	101	151
Totals	1078	958

BUDGET:

Roughly \$30-\$50 for marking tape and starter airhorn each season.

RECOMMENDATIONS FOR NEXT YEAR:

1. We continue to struggle with having enough rabbits and marshals out on the course. Meets run better when there are at least seven to eight rabbits and at least eight to ten marshals. Perhaps we could reach out to a nearby high school or two to get some high school student volunteers? This might fit into the high school teachers/students leadership programs.

2. Has there been any discussion/updates of how to refer to athlete gender? I think most of us have our races and start/finish lines set up as boys and girls races?

DATES FOR NEXT YEAR:

Sept 24, Oct 1, Oct 8, Oct 15 and Oct 22

Joe O'Malley	Maple Green	604-594-8838	604-572-9383

ZONE PLAY REPORT/FINAL RESULTS:

We enjoyed a very successful season, averaging 400 runners each week. We are always looking for ideas to keep the grade sevens engaged in cross country. Generally the key is to keep it fun, have practices with a piece of licorice prize once a week, use the grade sevens in a leadership role, etc. e-mail the coordinators with ideas that you use to keep the sevens running. We will pass the ideas on.

RECOMMENDATIONS FOR NEXT YEAR:

North Ridge Elementary Principal, Steve Redding's season ending cross country meet continues to be a great way to end the season.

WILLING TO SERVE AS CONVENORS AGAIN?

Joe O'Malley and I will continue as coordinators.
