

# My Day at the Special Track Meet

Little Athletes  
Big Dreams

I'm excited to go to the Special Track Meet. It is fun!

I will travel there in a car or on a school bus.

The first activity is Zumba. Music and dancing with my friends is fun.

There will be a lot of races. I will do my best.  
My teachers and coaches will be proud!

I will get ribbons and feel proud too!

I will cheer for my friends and they will cheer for me.

There are a lot of stations to visit and I will take turns with my friends.

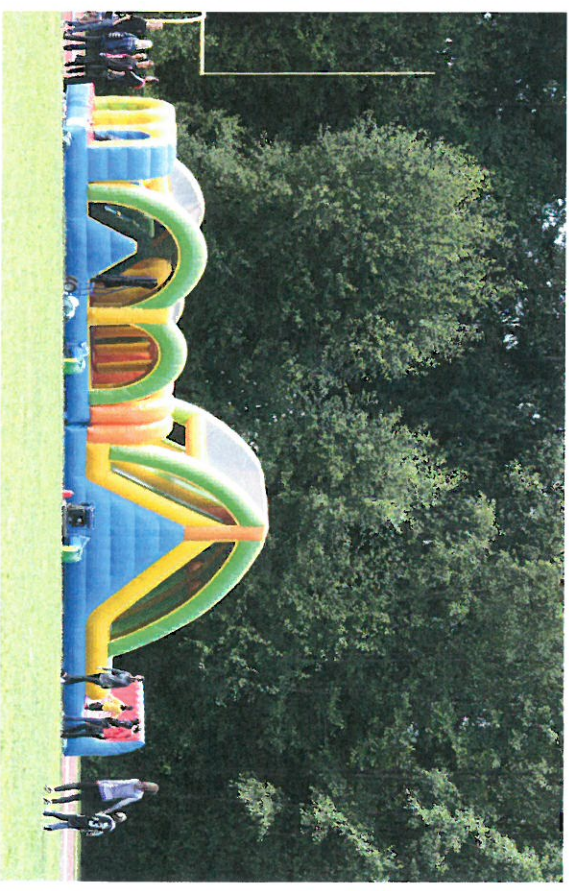

Waiting can be hard, but I will try my best.

I will do the obstacle course before I go in the bouncy castle.

Some of the activities are long jump and softball throwing.

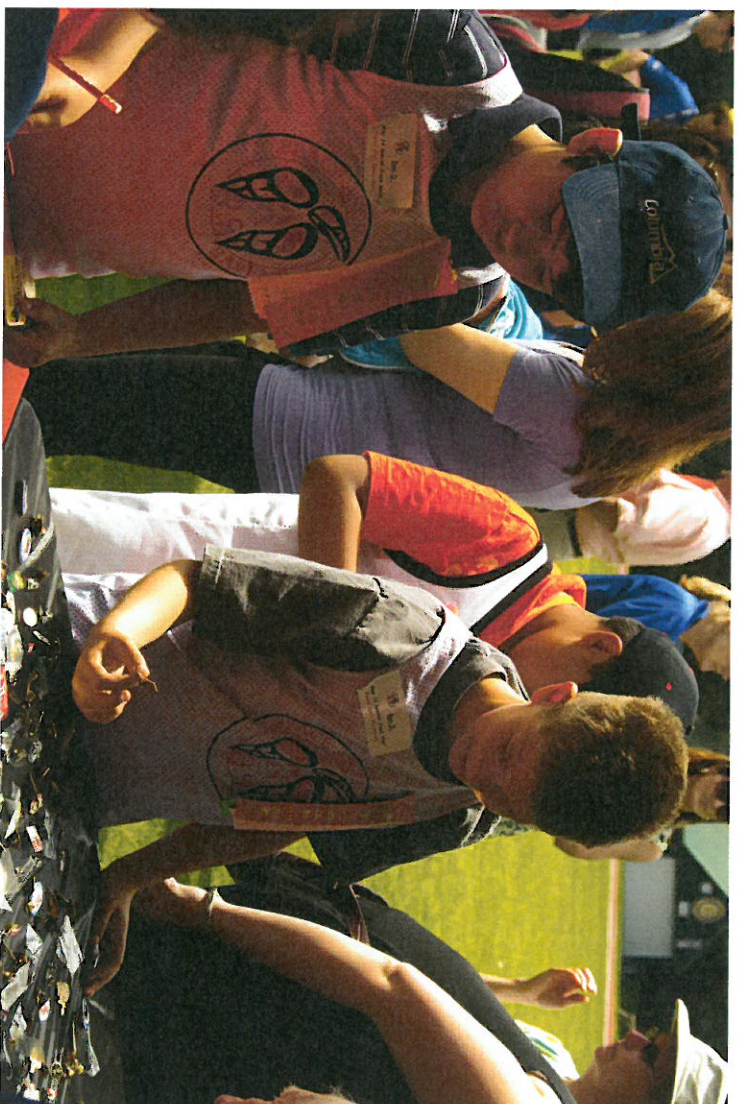

I can throw a Frisbee and hit a ball off a tee.

I will bring some pins to trade and get new ones.

I can buy my lunch at concession and support the volunteers. Yummy!

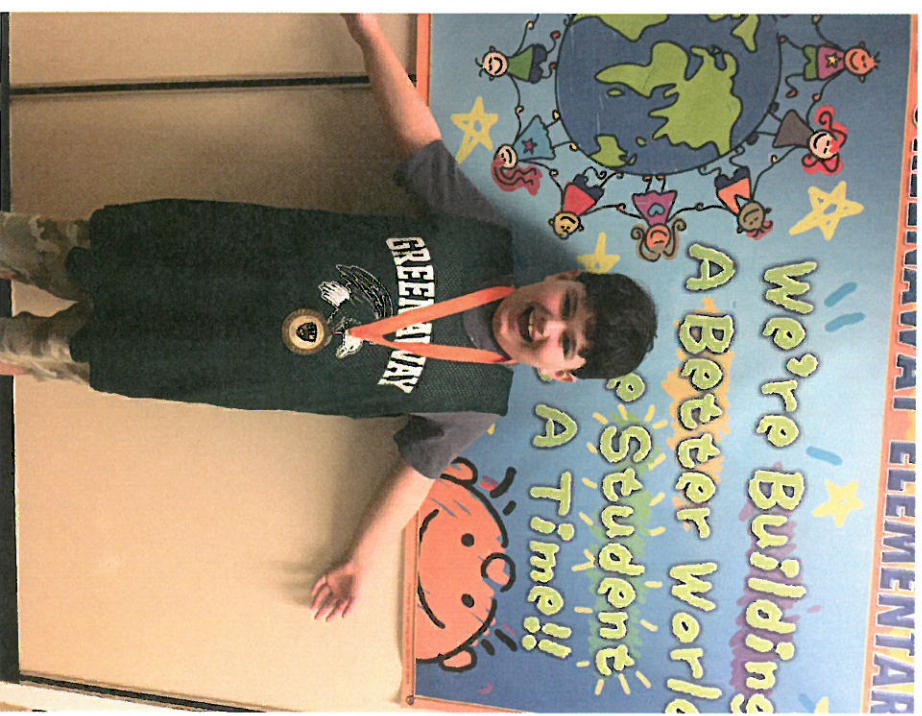

During the relay race I will be on a team and pass the baton to the next person.

I will get a medal for all of my hard work.

I love the Special Track Meet!
