

(*uploaded on April 4, 2024) Grade 7 Final Schedule
BADMINTON 2023-2024

The badminton league will be starting the first week of April. The Grade 7 teams will begin play on **Thursday, April 4th**. The schedule is set out with the teams playing within their conference as much as possible. The goal was to create an even number of teams in each division as much as possible while keeping travel time within 10 minutes. Some schedules have odd numbers of teams and may sometimes have three schools competing. Please use the three-school score sheet when playing these games. When reading the schedule, the first letter denotes the home team. The weekly dates conform with the handbook, with week one being April 4, week two April 11, week three April 18, week four April 25, week five May 2, and Playday week May 9.

Please confirm with your hosting team prior to your scheduled game date. If there are conflicts with gym availability, the coaches are asked to arrange an alternate site/ game day.

Please read the Badminton rules in the SESAA handbook. It is only a few pages. It is found on the SESAA webpage.

Playday

Playday information will be given after the final schedule is confirmed. If you are interested in hosting and did not specify yes on the registration form, please email Michael Legge at legge_m@surreyschools.ca with the school name and the grade level you wish to host. If not enough schools volunteer, then it is random mandatory hosting. Don't worry, it is the easiest playday of all the sports (no referees, no drivers, pre-made schedule, low number of participants).

Final Schedule Grade 7 Games on Thursdays

****When reading the schedule, the first letter determines which school is the host site. If a conflict occurs due to gym unavailability, coaches are asked to arrange an alternate site.**
